Basic Christian Theology - Sunday School Courses

Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries. Theology is basically the study of deities or their scriptures in order to discover what they have revealed about themselves. While theology has turned into a secular field, religious adherents still consider theology to be a discipline that helps them ...

Postliberal theology (often called narrative theology) is a Christian theological movement which became popular in the late twentieth century. The movement's proponents argue that the church's use of the Bible should focus on a narrative presentation of the Christian faith as regulative for the development of a coherent systematic theology. Thus Christianity is to be viewed as an overarching ...
