Chad Haase ENGINEERING DIRECTOR AFSE, CACSP. As kVA's Engineering Director and certified AFSE, Chad Haase has over 20-years of automotive product development experience, including deep knowledge of safety culture and functional safety team development at the Tier 1 level.

Company | kVA | Automotive Functional Safety Engineering

Automotive design is the process of developing the appearance, and to some extent the ergonomics, of motor vehicles, including automobiles, motorcycles, trucks, buses, coaches, and vans.. The functional design and development of a modern motor vehicle is typically done by a large team from many different disciplines included within automotive engineering, however, design roles are not ...
