In a kind of spooky experiment, scientists at the Max Planck Institute for Human Cognitive and Brain Sciences reveal that our decisions are made seconds before we become aware of them. In the study, participants could freely decide if they wanted to press a button with their right or left hand. The only condition was that they had to remember when they made the decision to either use their ...

The Bolsheviks had their own ten commandments and, like the church, they also mocked their opponents.

The totalitarianism of the church belongs to the past but if the church should ever regain its former power, its atrocities would probably be repeated.
