The first-year player draft is Major League Baseball's primary mechanism for assigning amateur baseball players from high schools, colleges, and other amateur baseball clubs to its teams. The draft order is determined based on the previous season's standings, with the team possessing the worst record receiving the first pick.

In September 2009, Wizards of the Coast released the Planechase product. The product was designed to allow players to play the new casual 'Planar Magic' format. The format can be played with two or more players. Each player requires a traditional Magic deck and a 'planar deck' of plane cards, players also need a 'planar die'. The first player turns over a plane card from the top of their ...
