History. In 1817, the first paperboard carton was produced in England. Folding cartons first emerged around the 1860s and were shipped flat to save space, ready to be set up by customers when they were required. 1879 saw the development of mechanical die cutting and creasing of blanks. In 1911 the first kraft sulphate mill was built in Florida. In 1915 the gable top milk carton was patented and ...

The Governmental Accounting Standards Board (GASB) is the source of generally accepted accounting principles (GAAP) used by state and local governments in the United States. As with most of the entities involved in creating GAAP in the United States, it is a private, non-governmental organization. The GASB is subject to oversight by the Financial Accounting Foundation (FAF), which selects the ...
