There has always been a need for a "correspondence course", by which we mean a distance learning course where students learn by working and practising on their own on set assignments, then have the work assessed by experienced Tutors. From all over the world, including the UK, frequent requests came from aspirant botanical artists unable to attend a day, weekly or residential course, for ...

Happy New Year - 2019. My last post was the end of November 2018 so I need to fill you in on what's

happened between then and now. December went by so fast I didn't even get a chance to make an appearance on this space-my apologies.
